

Kyoto-Vienna Joint Workshop 2024 on Functional Coordination Compounds

Supported by Kyoto University and University of Vienna Joint Grant Program 2023

February 7th (Wed) 2024

13:00 – 17:15

**iCeMS main building,
Yoshida Campus
Kyoto University, Japan**

Admission Free

This event can be attended in-person only.
Registration from QR code
below/workshop website is required for
all participants.

Sessions

Coordination compounds for biological applications
CP/MOFs for environmental applications
Structurization/structure analysis of CP/MOFs

Speakers

Michael R. REITHOFER | Univ of Vienna, Austria
Tomoko INOSE | iCeMS, Kyoto Univ, Japan
Chung-Wei KUNG | National Cheng Kung Univ, Taiwan
Soracha KOSASANG | Kyoto Univ, Japan
Kevin C.-W. WU | National Taiwan Univ, Taiwan
Hirotoishi SAKAMOTO | iCeMS, Kyoto Univ, Japan
Jia Min CHIN | Univ of Vienna, Austria

Organizer Institute for Integrated Cell-Material Sciences (iCeMS), Kyoto University

Committee Hiroyasu TABE, Shuhei Furukawa | iCeMS, Kyoto U
Michael R. REITHOFER, Jia Min CHIN | University of Vienna
