

IUPAC Global Women's Breakfast 2025

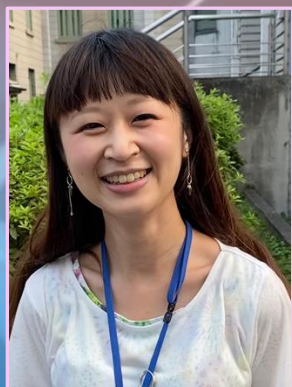

Accelerating Equity in Science

February 12th, 2025, 16:30~18:00

Please join us for this networking event! The Global Women's Breakfast is designed to help establish an active network of people of all genders to overcome barriers to gender equality in science. Everyone is welcome! Learn more about the Global Women's Breakfast at <https://iupac.org/gwb/>

Co-sponsored by the Chemical Society of Japan!

Prof. Tomoko Inose

The Hakubi Project
and Institute for
Integrated Cell-
Materials Sciences,
