

April 20-22, 2012

***Crossing Boundaries:
Stem cells,
Materials,
Mesoscopic Sciences
and Beyond***

April 20–21

**Venue: Science Lecture Hall
2nd floor, Building 1
Zhongguanyuan Global Village PKU**

April 22

**Medical Science Building
B323
Tsinghua University**

Sessions:

- Stem Cell Sciences and Technologies
- Nanomedicine, Drug Delivery and Perspectives
- Cellular and Molecular Biology (I) & (II)
- Mesoscopic Integration of Cell and Material Sciences

Center for Life Sciences (CLS), Institute for Integrated Cell-Material Sciences (iCeMS)
