

Fifth iCeMS International Symposium

# Biomaterials at the Interface of Chemistry, Physics, and Biology

2009  
**July**  
27 (Mon)  
28 (Tue)

## Invited Speakers

Trevor Douglas  
Bogdan Dragnea  
Benoit Dubertret  
Masayuki Endo  
Matthew Francis  
Ehud Gazit  
Itaru Hamachi  
Mitsuru Hashida  
Hiroshi Imahori

Shana O. Kelley  
Kazushi Kinbara  
Victor S.-Y. Lin  
Yi Lu  
Hiroshi Matsui  
Akimitsu Okamoto  
Motomu Tanaka  
Motonari Uesugi  
Yasuteru Urano

## Program

July 27 (Mon) 9:20 -

- Session 1 DNA Engineering
- Session 2 Biophysics of Protein Assemblies
- Session 3 Peptide and Protein Design for Biodevices
- Session 4 Organic Chemistry toward Cell Biology

July 28 (Tue) 9:30 -

- Session 5 Integrated Materials for Drug Delivery Systems
- Session 6 Molecular Design for Bioimaging
- Session 7 Synthetic Biomimics

## Venue

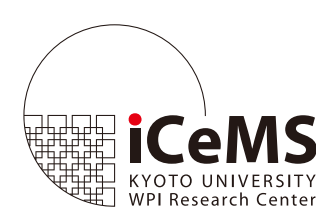

Clock tower Centennial Hall 2F  
International Conference Hall  
Main Campus, Kyoto University

No registration required
